

Spellings

Why is it important to complete homework related to spellings?

Once pupils have learnt more than one way of spelling particular sounds, choosing the right letter or letters depends on them either having made a conscious effort to learn the words or having absorbed them less consciously through their reading. Please read the appendix of the National Curriculum (link below) for more information.

What are the best strategies for learning spellings?

At the start of the academic year, with the first half term's spelling overview, you will be given some ideas of ways to help your child to learn their spellings. Every child will develop their favourite ways of learning them. Let them explore and find the best ways that work for them. Your child may stick to their favourites and if that works for them, that is fine. Other children may like to vary their approach to learning them each week.

When will my child be tested?

All children will have a spelling quiz every Friday. Results will be sent home the same day on Seesaw. If results are not received, this will be due to unforeseeable circumstances and will be sent out at the next possible opportunity.

Please do not let children jump ahead and learn spellings for the following week(s) until this week's quiz has been completed. It may confuse the children on quiz day.

Other points to note...

Encouraging children to use their spelling knowledge in the wider world and encourage them to look out for their weekly spellings in books. This will really boost their confidence and abilities.

Year 4 Autumn 1 Spelling Overview

Week 1 - Test date 12.09.25

Spelling Focus: Homophones

1. accept
2. except
3. knot
4. not
5. peace
